

Our Partnerships Make a Difference to our Clients

CABS is partnering with health homes, managed long-term care agencies and the NYS Medicaid infrastructure to offer quality care management services. We are collaboratively working with medical, mental, social, and community support service providers to connect each of our clients in the five boroughs and Nassau County with services that fit their needs.

Who is Eligible for Care Management Services?

Answer "YES" to these six questions to qualify for Care Management Services:

- Do you have or qualify for Medicaid?
- Do you have two or more chronic or mental health conditions?
- Do you find it difficult to see a doctor when you need to or keep medical appointments?
- Have you been to the emergency room several times over the past six months?
- Do you feel unsafe at home or need a safe place to live?
- Do you feel isolated and would want someone to assist you when you need help?
